

CO-ENZYME Q10

TURN YOUR FOOD INTO ENERGY

Your body uses Co-Enzyme Q10 to turn the food you eat into energy—so you can imagine how important it is to optimum health. And yet, as you age, your CoQ10 level decreases, just when you need it most. To bridge the gap, we offer CoQ10 Plus, a powerful antioxidant enriched with Vitamin E and delivered in a rice bran oil-based soft gel capsule—the best form, according to bioavailability studies. Essential to circulation and heart support, CoQ10 addresses lipid peroxide formation and oxidation of LDL cholesterol.
