

LIMU PLUS®

THE BEST OF NATURE & SCIENCE COMBINED

Discover wellness with Vitamark, the makers of Limu Plus®. You've heard about the nutritional benefits of kelp—but did you know how difficult it is, thanks to environmental pollution, to find a pure, pristine source? We discovered in the pristine waters of the Pacific near the island of Tonga, the source of our superb Limu Moui extract. Then we added advanced Russian adaptogens, the extraordinary performance-enhancing plants uncovered by years of scientific research.

The result is Limu Plus®, a wellness breakthrough, the best of nature and science combined. Add one or two ounces of Limu Plus® to your daily diet and discover wellness for yourself.
