

PRIMALUX

OPTIMAL FULL-BODY SUPPORT

Maximum health... with Primalux, the vitamin and mineral complex that makes any age the prime of your life! Broad-spectrum and synergistic, Primalux gives you targeted nutrients in their most effective, elemental forms, meeting the daily needs of teens and adults.*

Primalux provides broad based antioxidant support with Vitamins A, C, E, beta-carotene and trace minerals like selenium and manganese and other special members of the carotene family like lutein.* It also features the complete range of B vitamins, important for energy support and hormonal efficacy, the formation of proteins and structural compounds in the body, assisting DNA, red blood cells and the insulatory support of the nerves, their involvement with fats and carbohydrates, and their impact on lipid levels* In addition, Primalux features the D3 (cholecalciferol) form of Vitamin D, shown to be most beneficial in assisting with the absorption of calcium, and much more.*
